Burleighs Pink Gin

Master Distiller, Jamie Baxter, was inspired to create this floral, delicately sweet gin after a visit to Tokyo. With Japanese cherry blossom, hibiscus, rose and pink grapefruit added to the Burleighs London Dry recipe, PINK Edition is soft, smooth and very easy drinking. Perfectly served with Fever-Tree Aromatic Tonic and a slice of fresh pink grapefruit.

70 cl

Plymouth Gin

Plymouth Gin is a true original. Since 1793 its unique recipe of botanicals has been made to the highest standards in the same distillery in the very heart of the historical city of Plymouth, on England's South West coast. It's these factors that have resulted in our particularly English gin becoming as famous and well travelled as those who first tasted it. Extremely smooth, creamy and full-bodied, with a slight sweetness.
