Chase Rhubarb Vodka

Previously part of the limited edition collection, this delicately sweet infusion has earned a permanent place in the award winning range. On the nose is clean with fresh stewed rhubarb and on the palate is naturally sweet with a hint of tartness and pepper.

70 cl

£31.00

The Botanist Gin

A progressive exploration of the Isle of Islay. 22 hand-forged local botanicals delicately augment nine berries, barks, seeds and peels during an achingly slow distillation. The taste is rich and mellow; cool on entry then as it reaches the back palate you can feel the warmth and absolute purity of slow unhurried distillation

1 Litre

£18.50

Chase GB Gin

GB Gin is crafted by copper pot distilling Chase Potato Vodka with 10 botanicals; juniper (the buds and the berries), cinnamon, ginger, coriander, angelica root, almond, clove, lemon peel and liquorice root to create the GB extra dry gin.

70 cl

£21.90

Plymouth Gin

Plymouth Gin is a true original. Since 1793 its unique recipe of botanicals has been made to the highest standards in the same distillery in the very heart of the historical city of Plymouth, on England's South West coast. It's these factors that have resulted in our particularly English gin becoming as famous and well travelled as those who first tasted it. Extremely smooth, creamy and full-bodied, with a slight sweetness.
