

CA' MONTINI

Pinot Grigio Trentino Doc

Terroir: The area of production is comprised of three small plots that form a cone shape in the area called Valfredda. This vineyard is protected by the surrounding mountains, while its perfect east/west exposure and “Pergola Trentina” trellising system ensure ideal ripening conditions.

Wine: Ca' Montini is the result of a project intended to showcase the winemaking history and exceptional potential of Trentino Pinot Grigio. This wine is proof that with discerning site selection, meticulous vineyard management and world class winemaking, Trentino can produce prestigious wine of authenticity and excellence.
