ENEMIGO MÍO 2017

100% Garnacha - D.O.P. Jumilla

On a hot summer night that year, we discovered, crouched down, who was the mischievous animal that ate the sweet grapes from our vineyards...

Limited production of 40,000 bottles.

Cherry red color with a purple trim. On the nose is fruity and floral, touches of rose petals. Delicate and elegant, with a great complexity. Aromas of red fruits and balsamic notes coming from the Sierra de la Pila. Memories of toasted candy and liquor-filled chocolate as a result of the short aging in 110 hl. deposits of French oak. In the mouth is fresh, tasty, pure grape juice with highlights on its origin: the Mediterranean.
