

FINCA RESALSO 2015

"The expression of our youngest vineyard"

EMILIO MORO
BODEGAS

VARIETY

100% TINTO FINO

PRODUCTION

900,000 bottles of 0,75 l.

DETAILS OF THE 2015 HARVEST

From the month of April until the 2nd quarter of July, the temperatures were higher than normal, which enabled a fine vegetative development. The punctual rains of July helped overcome the high temperatures of the season. After the veraison, the night temperatures decreased exponentially, while day temperatures remained at an average of 25° Celsius. This favored the ripening and anticipated the harvest. The result was an extraordinary vintage.

HISTORIA

Finca Resalso is the name of an historic vineyard planted in 1932, the year of Emilio Moro's Birth. This is the name we have given to our young wine, which is made from vines between 5 and 12 years old.

ANÁLISIS DE CATA

With its intense violet color, very deep and lively, this wine honors the outstanding year of 2015. On the nose, it has a dominant aroma, with remarkable intensity. Mature, but still retaining the liveliness and freshness of its youth in the form of red and black fruits. On the palate, it shows mature tannins, freshness and good acidity, resulting in an ensemble that is very pleasant to drink.

ELABORATION

4 months in French and American oak barrels.
